— HURONIA COMMUNITY FOUNDATION —

A MESSAGE FROM THE EXECUTIVE DIRECTOR

Thank you for joining us at the fifth annual Circle of Honour Philanthropy Awards. We are delighted and grateful to have over 30 sponsors and eight community partners for this year's event. The funds raised through sponsorships will be used to help us with operating costs.

OUR COMMUNITY FOUNDATION AT A GLANCE

We bring people together from all parts of our community to stimulate new ideas, build participation and strengthen community philanthropy.

We bring donors to the table as community builders.

We accept gifts from donors, invest them for long-term growth, and distribute the earnings to local charities based on their needs and the needs of our community.

We are part of a Canadian network of over 175 community foundations that

help people invest in building strong and resilient places to live, work and play.

We grant funds to the widest possible range of organizations and initiatives in our community. The Foundation supports initiatives from a broad spectrum of interests including arts and culture, health, youth, education, sports and recreation, social services and the environment. We serve the towns of Midland, Penetanguishene, Elmvale, Coldwater, the Townships of Tay, Tiny, Georgian Bay and Christian Island.

NEW AT HURONIA COMMUNITY FOUNDATION

We are now working with the three other community foundations in Simcoe County – Orillia, Barrie, and Bradford .

As part of the Community Foundations of Simcoe County, we recognize the value of sharing administrative and marketing resources to raise awareness of each community foundation, while maintaining total autonomy when it comes to raising money and granting funds.

Each of the four community foundations involved in the Community Foundations of Simcoe County work independently to build funds and grant money in their own communities.

On behalf of all charities, we are thankful for the donors who are building our community through Giving!

HURONIA COMMUNITY FOUNDATION

OUR VISION

To bring donors and charities together to enrich lives in Huronia.

OUR MISSION

To support and sustain Huronia forever by accepting, building and managing the financial gifts made by donors, investing them for long term growth, and distributing the earnings to local charities.

CATHY BAYLES

Cathy Bayles has been awarded the 2011 Circle of Honour Individual Award.

Cathy is a terrific role model for others. As both the Vice-President and President of the Board of Directors and now as Chair of the Robbert Hartog Advisory Committee, Cathy has been a driving force behind the Georgian Bay General Hospital Foundation for the past nine years where she has helped raise more than \$4 million for new digital imaging equipment.

Not only does Cathy give of her time, expertise and experience, she is a

key supporter for events that touch our larger community. Cathy sponsors events such as the annual hospital gala, Curl with the Pros and the Circle of Honour Philanthropy Awards.

ELMVALE & DISTRICT LIONS CLUB

The Elmvale & District Lions Club has been awarded the 2011 Circle of Honour Group Award.

The Elmvale & District Lions Club certainly follow their motto of “We Serve”. Members contribute both volunteer hours and financial help for the betterment of community life.

The Elmvale & District Lions Club has helped by supplying medical equipment

for disabled elderly, by supporting youth by sponsoring sports teams, by donating awards/scholarships, and by financially supporting children in need so they can join Scouting and local sports clubs. The club contributed funds to a local food bank to help with the rent and the purchase of a new refrigerator and shelving. They help the hearing and visually impaired by supplying glasses and hearing devices and improve our local environment with education programs, tree planting, and participation in community clean-up projects.

Currently, their main project is a five year commitment of \$100,000 to Hospice Simcoe.

ATLAS BLOCK CO. LIMITED

Atlas Block has been awarded the 2011 Circle of Honour Business Award.

The generosity of Atlas Block is reflective of the faith and strong citizenship beliefs of senior management including Don Gordon and his daughter, Laura Vaughan.

Whether through financial gifts or contributions of building materials, Atlas Block has been a consistent supporter of numerous community organizations such as the YMCA, local hockey, soccer and curling teams; Y's Men's Music Festival, Huronia Community Foundation, Huronia Hospitals Foundation, Wye Marsh Wildlife Centre,

Shelter Now, OSPCA, Midland Flyers; and most recently, the Midland Cultural Centre. Additionally, Atlas Block has chosen to support a rural school by providing it with \$5,000 per school year to use as the school sees fit.

Atlas Block has made large financial contributions to most of the charitable and not-for-profit organizations in the area and as such, exhibits a spirit of unconditional giving. Atlas Block stands as a shining example to the community.

MIDLAND YMCA YOUTH LEADERSHIP PROGRAM

The Midland YMCA Youth Leadership Program has been awarded the 2011 Circle of Honour Youth Award.

Currently in its 12th year, the Midland YMCA Youth Leadership Program has been responsible for significant fundraising through corporate sponsorship and organizing special events. Each youth group is responsible for creating their own "case for support". The case is determined by identifying what the YCMA means to them and what the benefits of being involved in a

leadership program are. The leadership groups are accountable for everything related to special events including brainstorming, planning, and organizing. As a whole, the program has contributed approximately 9,900 hours and approximately \$164,000 to philanthropic endeavours.

Funds raised have gone towards sustaining and supporting the YMCA Strong Kids Campaign, the Youth Leadership Program and the Midland Mirror Adopt a Family program. YMCA Youth Leadership instils good values and provides the necessary tools for kids to continue to foster their philanthropic undertakings.

— CIRCLE OF HONOUR PHILANTHROPY AWARDS —

Huronia Community Foundation Circle of Honour Philanthropic Awards provide the opportunity to recognize individuals of all ages, businesses and organizations that have contributed financially toward the improvement of the quality of daily life in Huronia. This program is different from existing volunteer recognition activities as it highlights the impacts of financial gifts made locally.

The goal of the awards program is to inspire philanthropic leadership in our community with the following

four specific objectives: to enhance the profile of giving and service to the community; to recognize and celebrate individual, business, organization and youth acts of service and giving; to enhance the profile of Huronia Community Foundation and to have an annual event in which to raise funds for the foundation's operating budget.

MASTER OF CEREMONIES

The 2011 Circle of Honour Philanthropy Awards welcomes George Cornell as the Master of Ceremonies for this evening.

George and his wife Sandy retired to our community in 2003. George has been active with the Southern Georgian Bay Physician Recruitment Program and is the current Board President of the Huronia Community Foundation. George has also supported his wife Sandy in establishing the Georgian Bay Cancer Support Centre.

George and Sandy have two adult children, Lindsay and Matthew and feel very fortunate to have found such a beautiful and caring community on the shores of Georgian Bay, to now call home.

— HURONIA COMMUNITY FOUNDATION —

Thanks to the endowed funds and other donations from individual and businesses, Huronia Community Foundation has total assets of \$1.6 million. Significant is the fact that the Foundation has granted over \$600,000 to charitable organizations providing important services to people in our community. There are several features about the Huronia Community Foundation that distinguish it from other charities:

The Foundation's role is to raise funds for local charitable organizations; Our focus is encouraging individuals and businesses to establish endowment funds through cash donations, bequests, gifts of insurance and other financial instruments to support local charities; Endowment funds have a long-term benefit; capital is invested and the investment earnings provide the funds for grants; Gifts are pooled with other donations to maximize impact; DONORS decide if the investment earnings from their funds are to be given on a continuing basis:

- to one or more of their favourite charities, or
- a charity with a particular field of interest e.g. youth, health, the environment etc.
- to involve their family or friends in choosing the organization to fund, or
- to have the Foundation make the decision through its grant review process.

We invite you to contact us to learn more about the Foundation and the role it can play in your charitable giving to our community.
