Message From The President

On behalf of the Board of the Huronia Community Foundation (HCF), I wish to say thank you for your kind support and participation in this year's Circle of Honour Philanthropy Awards. I am proud to announce that 2013 marks a new beginning for the Foundation as we move forward with our new Executive Director Patricia Copeland and several new professionals on our board that have joined forces to reignite our foundation in a new and positive way.

On behalf of HCF, I wish to thank those who took the time to nominate deserving members of our community for an award. We had many excellent submissions and thanks to the dedication of our volunteer committee some exceptional recipients will receive an award this year.

The goal of the Huronia Community Foundation (HCF) is to increase our financial support of charitable organizations in our area. Today we have over \$2 million in donor funds invested and we can be the charity for charities here in Huronia. We can do more and your donations are critical to create the funds needed every year to operate and provide the programs and services that make positive change possible here at home.

On behalf of the Board and the Circle of Honour Philanthropy Awards Committee, I wish to say congratulations to our recipients and thank you for being a part of the Huronia Community Foundation family.

Sincerely,

Anita Dubeau
